

## **Bonnie Fuerst has been named Champion of the Month**

Woonsocket native Bonnie Fuerst has been named Champion of the Month at Children's Care Hospital & School in Sioux Falls. Her nominator said this about Bonnie: "Bonnie is such a wonderful and outgoing person. She performs tasks very efficiently to maintain fiscal responsibility for the organization, and always surprises me with how quickly she turns over projects. Bonnie is exceptionally flexible, taking on any activity that she is approached with. If she is unable to directly assist, she often personally contacts the best person to resolve the issue. Bonnie is a real go-getter and a wonderful asset to our organization!"

Bonnie is the daughter of Lorena Feistner of Sioux Falls and the late Herman Feistner. Bonnie and her husband Myron live in Sioux Falls. They have one daughter, Allison Rempfer who lives in Monroe with her husband Josh.

Children's Care serves over 2600 children with special needs from birth to age 21 each year from South Dakota and surrounding states. Services include education, therapies, behavioral services, and medical care, offered through inpatient, outpatient, outreach, and day school programs. For more information about our services, visit [www.cchs.org](http://www.cchs.org).
