## CHAMPION OF THE MONTH

David has a very positive attitude with all people he encounters – from staff to each of the kids. On nightly rounds he greets everyone, yet maintains speed with his duties. One evening, one of the children inquired about the vacuum. With patience and encouragement, David took the time to show the child what happens when the vacuum is plugged in and how the power cord wraps up. The child was so happy and excited to help. Thank you, David, for being a team player!
