

## **“The Lennox Ladies” have been named Volunteers of the Month**

“The Lennox Ladies,” Evelyn Bossman, Janet Valentein, Edith Korslund, and Lois Devries have been named Volunteers of the Month at Children’s Care Hospital & School in Sioux Falls. This wonderful group of women from Lennox is committed to providing support to behind-the-scenes operations at Children’s Care. They have assisted in processing several mailings; they are fast, accurate, and hard working. Thanks to these special ladies for making mailings fun!

Children’s Care serves over 2600 children with special needs from birth to age 21 each year from South Dakota and surrounding states. Services include education, therapies, behavioral services, and medical care, offered through inpatient, outpatient, outreach, and day school programs. For more information about our services, visit [www.cchs.org](http://www.cchs.org).
