

CARE IS OUR MIDDLE NAME

VOLUNTEER OF THE MONTH

Kendra Gunderson of O' Gorman High School has graciously accepted whatever has been asked of her. Kendra started volunteering in the classroom at a time when many changes were being implemented! She accepted something new almost every day with a smile. Kendra displays a patient and thoughtful presence to the students. She has all the qualities a teacher loves to see in a volunteer!

CHAMPION OF THE MONTH

Kali Gerlach is one of those people who just shines with a positive personality. Kali is always looking out for the children by coming up with activities and events for the kids, or "assigning" donated gifts. She knows the children well and is constantly looking out for them...she has a soft spot for the children and they love her. Thank you Kali for all you do at Children's Care, and for that shimmery personality!
